ARGOLITE

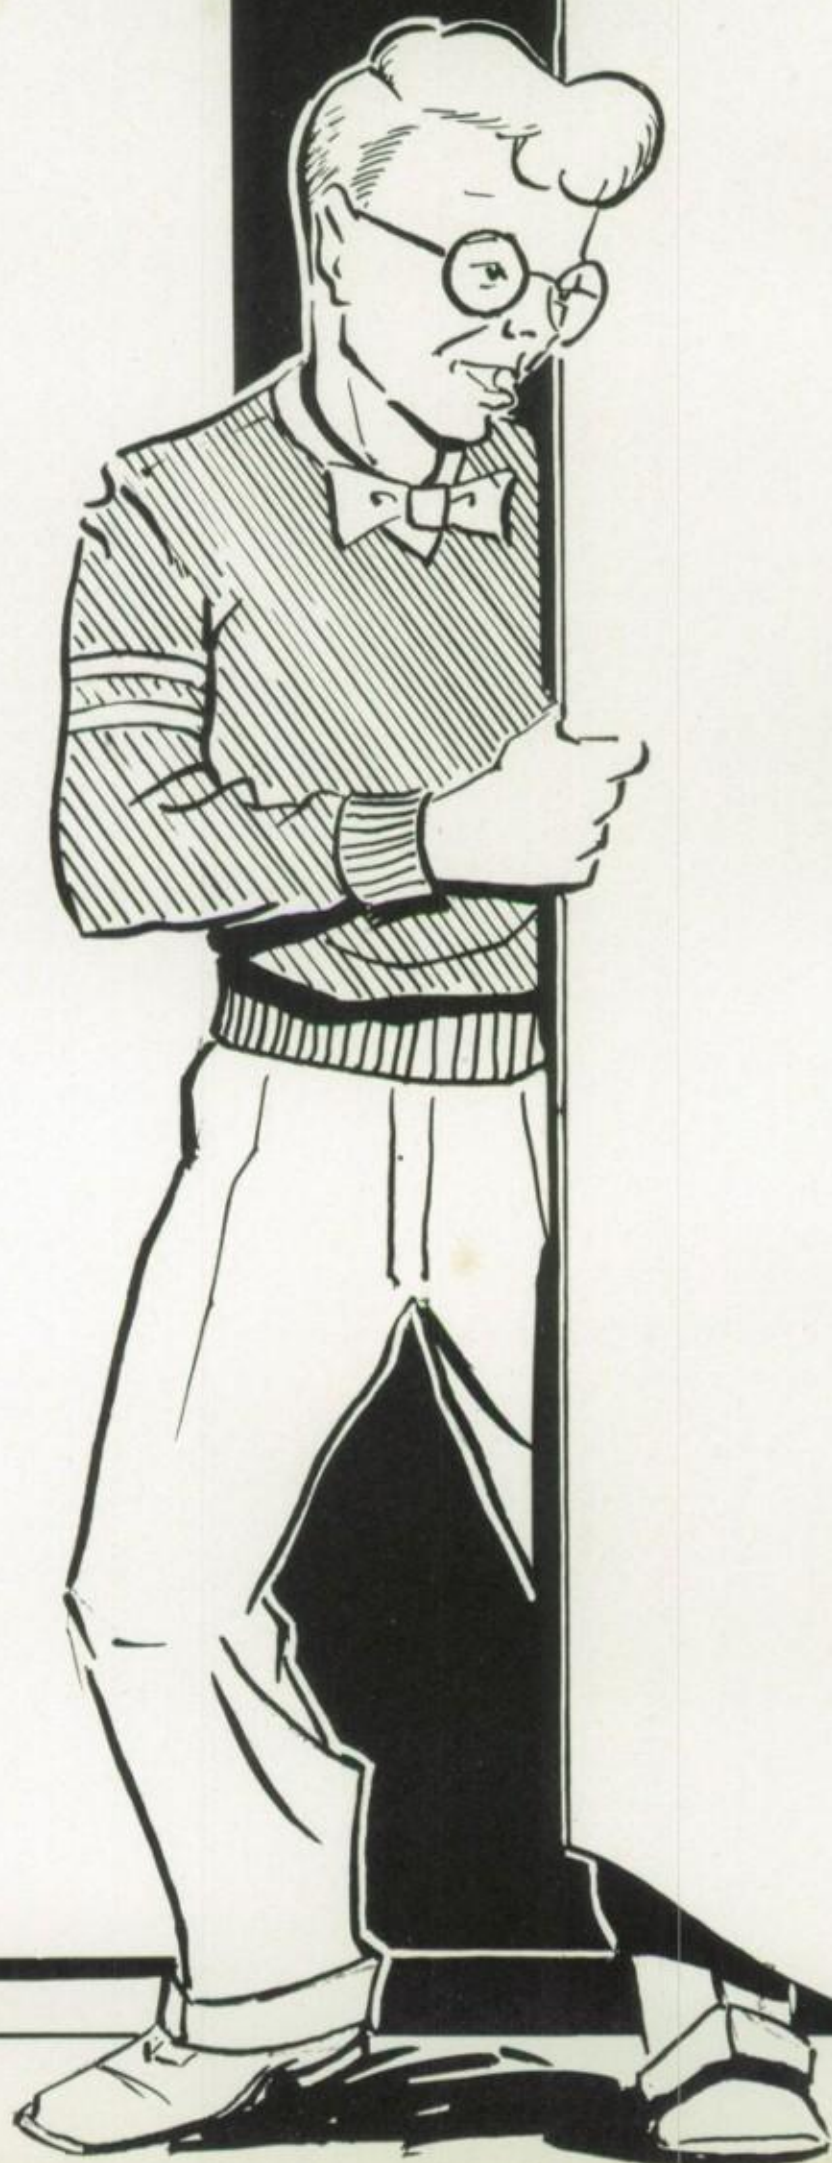

SCHOOL CREED

I believe in Argo Community High School as a place of opportunity by accumulating worthwhile educational experiences. I believe in its efforts to maintain a reputation for honest work, fair play, and serving the best interests of the youth of my community. I believe in the idea proclaimed in its motto, "All Rights Grant Others." I believe in its worthy traditions: clean sportsmanship, high scholarship, respect for others, obedience to law, and cordial co-operation with the faculty and administration.

I, therefore, believe it is my duty to my school to support it loyally and to uphold its reputation.

Seated: Mr. John Ginalick, Secretary; Mr. Herbert Swanson, President; Mr. Charles E. Wingo, Superintendent of Schools.

The Board of Education

During the past year the students and the faculty have been aware of the presence of the Board of Education at many school activities here at Argo. They attended banquets, dinners, and watched the Argonauts play in seasonal sports.

Mr. Swanson, representing the Board of Education, has been vigilant daily, observing the progress of the new facilities and construction in our school according to contract.

The main interest of the Board of Education is in the school and its function and to see that the students get the best of everything.

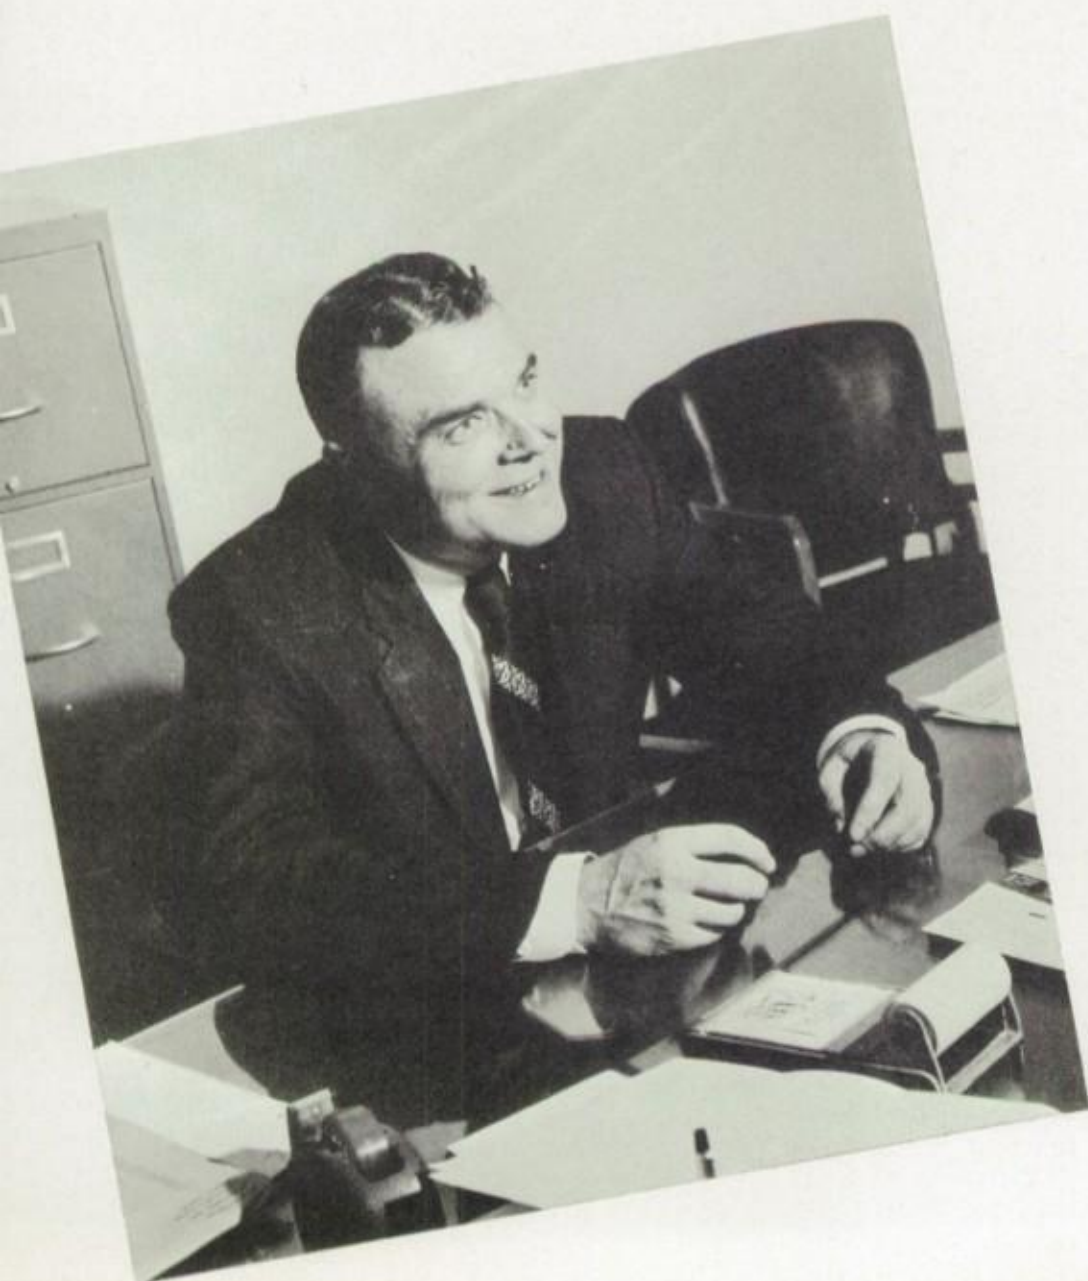

The student body and the faculty here express their thanks and appreciation to the members of the Board for their interest in the students and school.

Principal

MR. CHARLES E. WINGO

For eighteen years, Mr. Wingo has been a leader in the development of the school system in our community. In that time he has witnessed and helped Argo's growth from one small building to its present extensive scale.

Because Mr. Wingo has always looked to the future, seeking improvement, Argo now ranks among the best equipped schools in the state.

Administrative Assistant

MR. ARNOLD O. DIERSEN

Mr. Diersen leads a very busy life here at Argo; maintaining the good behavior of the student body; preparing the schedule of classes; guiding the faculty and the students; and co-ordinating student activities.

We owe a vote of thanks to him for six years of progressive accomplishment.

Class Counselors

The counselors of Argo High are a group of teachers who perform very valuable services for us high school students. Their work starts when we enroll for our freshman year and does not end even when our senior year is over.

In general our counselors have four main objectives:

1. To help students choose the courses and subjects best fitted to their interests, abilities, and needs;
2. To fill the students' need for adult friends in the school, who are personally interested in them;
3. To provide an accepting atmosphere, rather than one of moral censure, thus gaining respect and confidence of each student;
4. To exhaust all possible means to keep in school the less successful and the less well-adjusted students, who have a tendency to drop out of school.

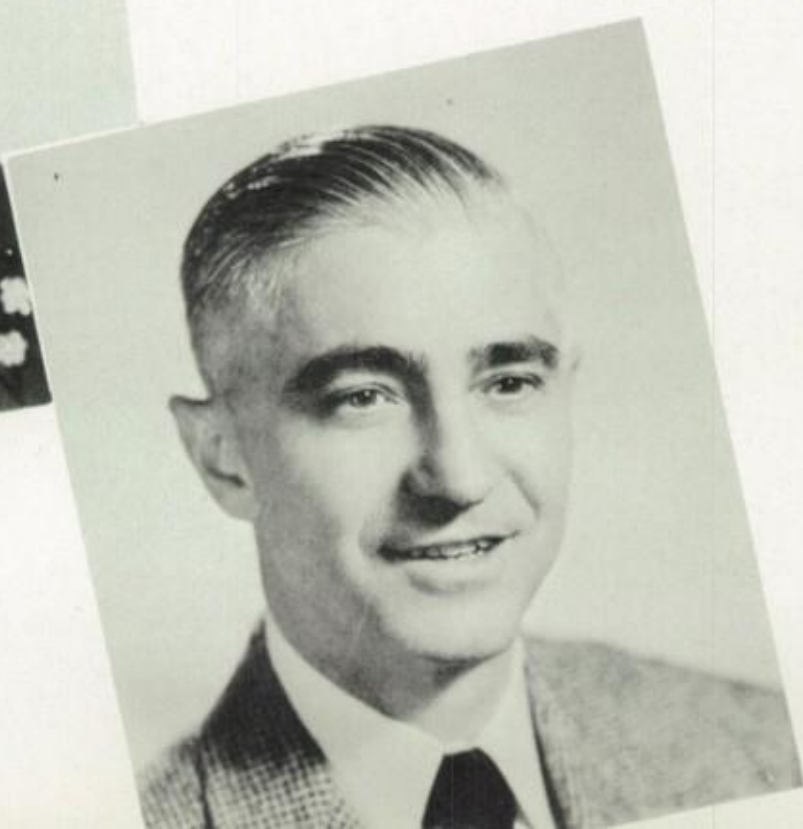

To carry out these goals the counselors perform a variety of exacting duties:

1. Enrollments and schedule changes
2. Consultations with parents, students, doctors, nurses, administrators, and teachers
3. Counseling failures
4. Testing programs and making profile charts
5. Vocational and scholastic guidance
6. College, scholarships, and job applications
7. Class board planning once a week and class meetings
8. Handling and raising class funds
9. Class elections, proms, and parties
10. Commencement exercises
11. Letters of recommendation

Our counselors, because they always take time to give us kind consideration, have won a lasting place in our memories of Argo High.

Senior Class Board

Our freshman year activities began with the Football Coronation with Helen Breider as our Lady-in-waiting. The next big event was the election of our class officers. Wally Novosad was elected our president, Bob Bojanowski our vice-president, Jim Ogle our treasurer, and Helen Breider our secretary. The Basketball Coronation was next, and this time Kathleen Burke was our Lady-in-waiting.

Then our sophomore year came and this time Esther Chapin and Vivian Ulrich were our Football and Basketball Ladies-in-waiting, respectively. Class officers were chosen, and again Wally Novosad was our president, Bob Bojanowski our vice-president, and Helen Breider our secretary. A new treasurer was chosen, however, who was Glen Walls. This board worked hard and gave us sophomores a good year.

September of 1953 brought us to our junior year hopeful of progress and achievement. With the spotlight on the social side we voted Janice Husch our Football Lady-in-waiting and Arlene Cagala our Basketball Lady-in-waiting.

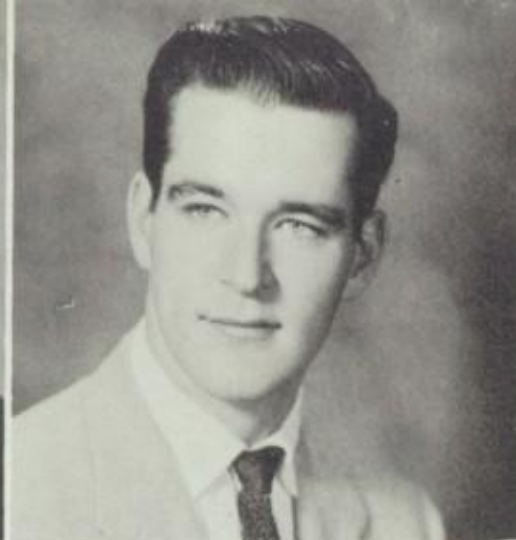

Showing who the leaders were in our class we voted Wally Novosad, Bob Bojanowski, and Helen Breider back into the offices they held as freshman and sophomores. The office of treasurer again changed hands and this time Jim Schranz was voted in. Our class took a big step this year and produced two all-school parties along with the Junior Play.

Now that our class was beginning to pick up life and really move, we went into our senior year confident of meeting it well. This time we picked queens for the coronations. For our Football Queen, Sally Twitty was chosen. Our Basketball Queen was Esther Chapin. We produced "Growing Pains" as our Senior Play and chose Lester Schedin our class president; Glen Walls, vice-president; Helen Breider, secretary; Jim Ogle, treasurer.

We've completed our four years now of high school. We're sorry to see it go, but our interest must be in the future for as Charles F. Kettering says, we shall spend the rest of our lives there.

In Memory

When we came to school in September, we sadly received the news that Don Pape, a member of the Junior Class, would not be with us. This was a shock to us because we were used to seeing Don in class and at meetings of the Future Craftsmen of America. Both an honor roll student and a sportsman, Don typifies the student ACHS produces. We cherish the memory of knowing Don for two years.

Sophomore Class Board

The Sophomore Class of 1954-1955 is a class with initiative. They worked hard to prepare a float for the Homecoming Parade and because they worked so hard and cooperated so well, they walked off with first prize. Also, the Christmas Party was a great success. It was said to be one of the finest Christmas parties given. Sophomores planned the party, provided the entertainment, and had a wonderful time.

It seems that this year's Sophomore Class is just full of energy. Not only did they work so hard on their float and their Christmas Party, but they have been working on a scrapbook which contains pictures and stories and other memorandums of this year's class. Another party to be held in the spring is also being planned.

The Sophomores have cooperated beautifully and

have used their good judgment in choosing candidates for the various coronations. In their Freshman year they chose Dorothy Sonopol, Pat Norrie, and Pat Morris to be candidates for the football coronation. Dorothy Sonopol was chosen Lady-in-Waiting. For the basketball coronation they chose Carol Cagala, Pat Wiseman, and Phyllis Breider. Phyllis Breider won the honors of Lady-in-Waiting at this coronation. In the Sophomore year Lorraine Udaykee, Judy Miller, and Pauline Gorski were the candidates for the football coronation. Here Pauline was chosen Lady-in-Waiting. For the basketball coronation Dawn Pflieger, Judy Wilson, and Mary Jane Carlton have been chosen as candidates.

Just keep up the good work.

In Memory

During the time Bill was at ACHS, he made many friends in addition to those he made at Justice School. Quiet and well-groomed, Bill was admired by everyone who knew him. He belonged to activities both in and out of school. He was on the Freshmen football team and was an active Explorer Scout. Although Bill was with us only a short time, he has made a lasting impression on us, his classmates, who miss him very much.

Another football season passed with the Argonauts racking up a 6-2 record, winning in all except the two big ones. Nevermore will the kleats of Novosad, Ogle, Bercich, Parrott, Rice, Isaacson, Brown, and Sutton make their imprint in Argo's gridiron, the famous, cherished sod that held memories of victory and defeat. Bercich was named to All-Conference, and All State. Novosad, Parrott, and Garron made All-Conference.

Varsity Baseball

The Argonauts finished the season in fourth place with a commendable 5-9 conference record. A much finer record could have been made but 4 of the first 6 players were lost because of ineligibility. Despite this setback, the team made a gallant attempt; and thrilling games were seen on the court in every offense.

Varsity Cheerleaders

The cheerleaders of A.C.H.S., under the supervision of Miss Shirley Diehl, have done a tremendous job in improving the good sportsmanship of the team and the fans during the sports seasons here at Argo.

The two squads have worked many long hours in preparing new school cheers and preparing for Argo's pep assemblies. The cheerleaders also have had many hard times going to the away games to cheer the team on to victory and still cheer in defeat.

Miss Diehl has contributed immensely to many of these things, and without her help, the cheerleaders of A.C.H.S. would have not succeeded as they have this past year.

"A" Club

Most kids think that athletes are born, not made, and that athletic ability is inherited. Good athletes are not born but developed by guys who have the initiative and will power to achieve perfection in the sports they undertake. By sticking to a training schedule, keeping in good physical shape, and constantly practicing; the athlete better himself and his ability and goes out on the field to win.

Membership in the "A" Club is sought by every boy that goes out for sports. By winning a major letter in football, basketball, baseball, swimming, and track an athlete is admitted after a mild initiation.

The "A" Club sponsors the Football Coronation Dance and in the spring holds its annual steak fry in which its new members are admitted and election of officers is held for the next year.

Although the S. A. B. has done many fine things throughout the year to benefit Argo High and its student body, its most outstanding achievement this year has been to foster the adoption of a school creed, which may be found on page one of the 1955 ARGOLITE, and to draft a school code of ethics which was unanimously adopted by the student body. The following is a reprint of the code:

As a member of Argo Community High School, I desire to make the most of my opportunities at school. Realizing that education is necessary for the greater responsibilities of life and for the true appreciation and enjoyment of leisure, I will endeavor to make my stay at school worthwhile.

In order that I may realize all the advantages of a true education and of good citizenship, I will strive to be guided by the following ideals:

1. I will be regular in attendance in all my classes and prompt in meeting my appointments, since punctuality is one of the necessary traits of a good citizen.
2. I will do my best to prepare the daily work assigned to me, because by doing so I shall gain knowledge and habits needed to carry out the responsibilities of life.
3. I will realize the necessity for maintaining personal integrity, and I will be honest to my own self, to my fellow citizens, to my teachers, and to my school.
4. I will be courteous at all times, and I will never do unto others what I would not have them do unto me.
5. I will conduct myself in the classroom, in the halls, in

the auditorium, in the gymnasium, in the library, in the cafeteria, and in all school activities according to the rules of my school.

6. I will show due respect for school property such as desks, library books, walls, and other school material and equipment.
7. I will try to make a good school record, because my record will be kept by the school for future reference by my employers or by the school I may attend after graduation.
8. I will respect the authority and the rules and regulations of my school, and I will maintain cordial relations with the students, the faculty and the administration.
9. I will take advantage of all the educational and recreational activities so that my high school training may prepare me well for life.
10. I will judge people by their merits rather than pre-judge them by their race, nationality, religion, or social class; and I will consider their interests equally with my own.
11. I will live up to the sportsmanship code, and I will do all I can to keep the athletic standards high at Argo Community High School.
12. I will help to improve the reputation of Argo Community High School, so that I and my community can be proud of it.

The Maroon

The MAROON staff works busily during and after school hours each day to gather social gossip and news for the school paper which is published bi-weekly.

The page editors devote their time to assigning stories to the reporters and copy reading, while the editor is busy proof reading and organizing other staff members.

When the MAROON is issued the days of hard work and preparation bring a momentary satisfaction for the workers and inspiration to start the next issue.

The Argolite

The ARGOLITE Staff has worked long and hard almost daily after school to complete the 1955 ARGOLITE.

Planning and designing pages, identifying pictures of the students and organizations, and directing the photographer as he takes pictures are just a small part of the routine the workers on the ARGOLITE do each year.

At the end of the year, we are happy to find that planning, creating, and striving has produced another yearbook which will long be treasured by the students of A.C.H.S.

Quill and Scroll

The Quill and Scroll is an honorary journalistic society for Juniors and Seniors who have contributed outstanding service to either the ARGOLITE or the MAROON and have maintained at least a B average in their scholastic grades.

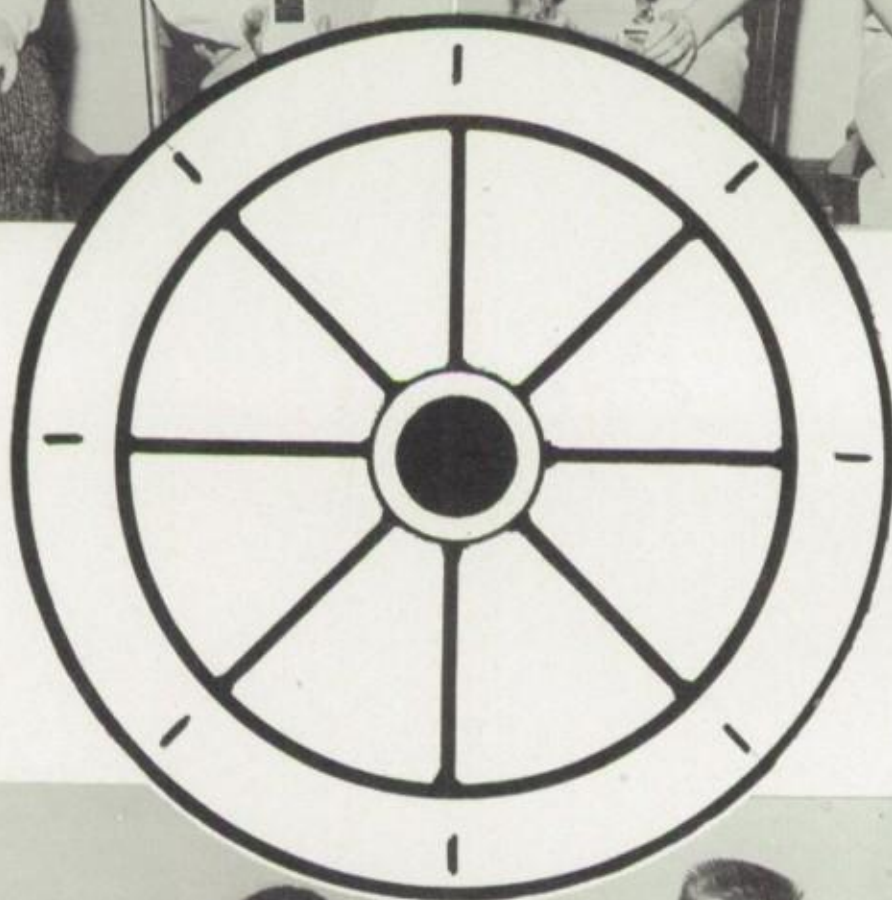

The high point of interest in the Quill and Scroll activity calendar is the initiation of new members which takes place every year in a private diningroom of one of Chicago's nicest restaurants.

The Band

Argo's band is kept busy throughout the year. It plays at football games, for many assemblies, in parades, plus for the spring concert. Our band also participates in the music contest held each spring. The band works hard to do well in everything that it takes part in and it always does a fine job.

National Honor Society

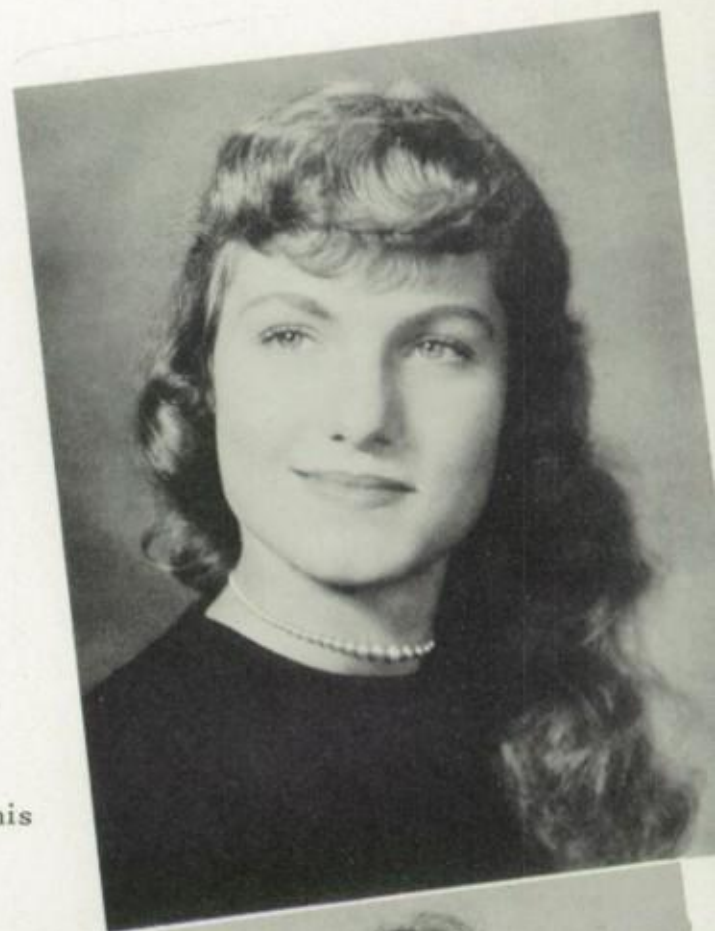

The National Honor Society comprises a group of outstanding Seniors who are named by both the Senior Class and the high school faculty, because they are representative of the highest ideals of high schools of America.

These students have distinguished themselves and brought honor to their school because they possess the qualities of good CHARACTER, high SCHOLARSHIP, right LEADERSHIP, and loyal SERVICE.

The emblem of the society has engraved at its base the letters, C.S.L.S., which stand for the four cardinal principles of the society. Those who wear the key are thus reminded that they have a responsibility throughout life to hold fast to these ideals.
